## Brand Designer

### Why you should become an Admiral?

- Equality and professional development – as an employer, Admirals believes in a balanced approach towards employee rights and gender equality. We care about your success and development and offer numerous training programs and benefits to enhance your skills and advance your careers
- Global support to the team – our experience in numerous geographical regions enables us to nurture you with progressive policies that respect the value of individual and group cultures. We aim to provide an efficient infrastructure and responsive organization to support you in your daily work-related challenges
- Our values – we value creativity, innovation, and the power of teamwork that we all bring to the table

### Your daily activities as a Brand Designer will be:

- Create and design various materials for print, video and digital collateral
- Ensure projects are completed with high quality and on schedule
- Prioritize and manage multiple projects within design specifications and budget restrictions
- Work with a wide range of media and use graphic design software
- Communicate with senior team members to receive feedback
- Liaise with marketing and design teams to ensure deadlines are met
- Stay up-to-date with industry developments and tools

### Qualifications

- 2-4 years of experience in graphic design
- Proficient in Adobe Creative Suite (especially Illustrator, Photoshop, and Premiere Pro).
- Strong communication, conceptual thinking, typography skills, and design skills.
- Portfolio of completed design projects.
- Strong aesthetic skills with the ability to combine various colors, fonts, and layouts.
- Attention to visual details.
- Ability to meet deadlines and collaborate with a team.
- Basic knowledge of layouts, typography, line composition, color, and other graphic design fundamentals.
- Experience with HTML and CSS preferred.
- Knowledge of digital media software – such as Adobe Illustrator, Photoshop, or the equivalent – is a major plus.
- Self-starter with the ability to work independently and collaborate with a team.
- Professionalism regarding time, costs, and deadlines
